Rowntree Equine Therapy CIC is a community interest organisation dedicated to improving wellbeing, opportunity, and inclusion through therapeutic programmes and youth development initiatives.

Our Equine Therapy Centre – Nottingham, England

Rowntree Equine Therapy CIC has launched a Crowdfunder campaign to raise **£250,000** to establish a **purpose-built, fully accessible Equine Therapy Centre in Nottingham**.

This pioneering project will provide **equine-assisted therapy programmes for people with mental and physical disabilities**, using the natural connection between humans and horses to support:

- Confidence and emotional wellbeing
- Physical and mental rehabilitation
- Social inclusion and life skills
- Safe, supportive therapeutic experiences

The centre will provide a welcoming and accessible environment where individuals can benefit from the powerful therapeutic impact horses can have on mental health, personal development, and overall wellbeing.

Rowntree CIC Scotland Division – Youth Sport & Community Development

The **Rowntree CIC Scotland Division**, based in **Wick, Caithness**, has been established to support **youth sport and community development across Caithness and the wider Highlands**.

While our English organisation delivers equine-assisted therapy programmes, the Scottish initiative focuses on **investing in young people through sport**, helping them build confidence, teamwork, and healthy lifestyles.

Through this programme we aim to:

- Support local youth sports clubs and teams
- Provide assistance for equipment and facilities
- Encourage participation for both girls and boys
- Help remove barriers preventing young people from taking part in sport
- Promote health, wellbeing and positive community engagement

By supporting grassroots sport in rural communities, we hope to give young people the opportunity, discipline and confidence they need to thrive.

Donating

Your support helps us deliver meaningful programmes that change lives and strengthen communities across both **England and Scotland**.

Donations of any size help us develop our therapy centre, support youth sport initiatives, and expand opportunities for people who need them most.
